Analysis of Access to Village at Wolf Creek Stopped

I want to inform you by way of this card that I have cancelled the Wolf Creek Access project and EIS assessing the access across the Rio Grande National Forest to Leavell-McCombs Joint Venture's Village at Wolf Creek development. I also want to thank you for your interest and participation in this project.

If Leavell-McCombs Joint Venture comes to us with a new proposal in the future, we will again be asking for public input.
